The meeting was held at the Newport Public Library at noon on October 17. Jane Sharp provided coffee and tea and Maxine Demory brought cookies. The meeting was called to order by President Gen Rosin. Introductions were made and all were welcomed.

Lauren and Aracelly presented an informative PowerPoint presentation describing CoverOregon, the online marketplace where individuals and businesses can compare and enroll in health insurance and learn what financial help is available for them. The system is not yet ready for online enrollment, but a paper application can be downloaded and filled out. Lauren and Aracelly are certified assisters, who are helping people navigate the system and fill out applications. They can give information, but cannot offer advice. Tracy with the Siletz Tribe is also a certified assister in Lincoln County and can be reached at 541-444-9611. There are also private health insurance agents who can offer assistance.

Following the presentation and discussion, some announcements were made, but no business meeting was held.

Meeting adjourned at 1:00 pm.

Maxine Demory, Secretary
